APPENDIX "A" TO  
MUNICIPAL BOARD ORDER  
NO. E-116-034

**SCHEDULE "A"**  
to BY-LAW NO. 17-2016  
Special Services Plan No. 1-2016  
**Fire Protection Support Service**  
*Pursuant to Section 314 of The Municipal Act*

**A Proposed Service:**

The intent of this special service plan is to establish a special service levy to offset fire protection costs provided by the Treherne-South Norfolk Fire Department.

Under By-Law No. 890/2011 the Town of Treherne shifted the cost of this service from the Town's general mill rate to a special service per parcel rate. The Town of Treherne and the Rural Municipality of South Norfolk amalgamated effective January 1, 2015 to form the Municipality of Norfolk Treherne. The Town of Treherne and Rural Municipality of South Norfolk split equally all costs to operate the Treherne – South Norfolk Fire Department.

Under this Plan as By-Law No. 890/2011 will expire at the end of 2015, Council is proposing to continue the per parcel levy on the urban community of Treherne, Ward 3 (formerly the Town of Treherne) for the years 2016 to 2020.

**B Area of the Municipality for the Special Service Tax:**

The Special Service Tax will be levied on all taxable, grant in lieu and otherwise exempt properties within the urban community of Treherne, Ward 3 as described in Schedule "B" attached hereto.

**C Estimated Cost of Service:**

In 2015 the actual amount levied was \$59.24 on each parcel of land; raising a total of \$25,177.00 for 2015.

The estimated special service costs for the years 2016 to 2020 is a minimum of \$25,358 to a maximum of \$30,675 per year.

**D Method and Rate to Calculate the Special Service Tax:**

The method of taxation to be used to calculate the special service tax will be a flat rate equally applied to each parcel of land included in the Fire Protection Support Service area.

The rate will be a minimum of \$62.00 to a maximum of \$75.00 on each eligible property. All property and rates are detailed on Schedule "B" attached.
